

## Product Obsolescence Notification

Issue Date: 31 JUL 2012

OBS073112IPD1

Dear Customer,

Avago Technologies announces the obsolescence of the High Current Line Driver products, HCPL-0810 and HCPL-8100. This obsolescence will take effect from July 31, 2012.

The HCPL-0810 and HCPL-8100 obsolescence will affect all related device options. The replacements to these products are the closest equivalent but not direct replacement.

Part Affected	Alternate Replacement
HCPL-0810	ACPL-0820
HCPL-0810-000E	ACPL-0820-000E
HCPL-0810-500	ACPL-0820-500E
HCPL-0810-500E	ACPL-0820-500E
HCPL-8100	ACPL-0820
HCPL-8100-000E	ACPL-0820-000E

The key milestones are:

1. Formal customer obsolescence notice – July 31, 2012
2. Final customer order date – Jan 31, 2013
3. Final ship date to customer – July 31, 2013

Please note that Avago Technologies reserves the rights to limit any last-time buy quantities based on capacity and material availability. Orders will be accepted on a non-returnable basis only.

Customers are strongly encouraged to switch to the recommended replacement parts stated above and Avago Technologies is willing to provide free samples of these parts for customer evaluation.

If you have any questions about this obsolescence, please do not hesitate to contact your Avago Technologies sales representative or authorized distributors.
